

INVITATION

What is ADHD?

If your child is highly agitated and impulsive or has problems concentrating, he or she may be hyperactive. You are invited to attend the next monthly meeting of the education group for parents and loved ones of children with attention-deficit hyperactivity disorder (ADHD). Sonya Couturier, psychologist, will be the guest speaker. She will talk about what is ADHD.

Date: Tuesday, April 21, 2009

Time: 7:00 - 9:00 p.m.

Location: Basement of the Transit Building, 118 Martin Street, Edmundston
